RE: Special Dietary Needs Manual

The Arizona Department of Education is pleased to present the newly revised Special Dietary Needs Manual. Program rules and regulations are supplemented with additional information on various health conditions affecting school food service such as diabetes and allergies. Other additions to this manual include sample diet order forms and sample menus for religious dietary needs.

Please take a moment to browse through this revised edition and if you have any questions or concerns regarding this memo, please contact your assigned School Health & Nutrition Program Specialist at 602-542-8700.
